

CLARE YOUNGS - designer/maker

She trained as a graphic designer and worked in the industry, mainly in packaging design but has a lifelong interest in everything handmade and since childhood has enjoyed making beautiful handcrafted objects

Clare Youngs is inspired by Scandinavian folk art

Folk art = hand-crafted,
decorative, and practical objects
created within a particular
community's cultural traditions.

TECHNIQUES in this project =

- ★ paper collage is an artwork created by gluing various pieces of paper onto a surface.
- ★ Mark making is the term for the various lines, patterns, textures, and marks an artist creates on a using a tool, such as a pencil, brushes, sponges & even found tools like a stick.
